Principal Perryman and Dr. Jaber updated board on selection of Accounting Company for the Upcoming school year. Currently the accounting firm takes 2.9% of budget, which is equal to \$60,900. The contract is coming up and it is a good opportunity to look for other accounting companies that may have a more reasonable rate, or flat fee. Dr. Jaber and Principal Perryman presented two options. One through Grennan Fender for services costing \$2,500 a month and extra \$1,500 for a 990 or 1099. This will come at annual cost of \$33,000. The second option was Mr. Hawkins which bills hourly. He provided an estimate of approximately \$36,000.

Board Voted to approve to working with Grennan Fender in the next year.

Principal Perryman updated board on the use of modular units for extra classrooms, needed for school growth. A new option was presented that includes the ability to expand a one story unit to a two story unit. Both modular units would use the same professional contractors and it services for installation. The ability to build a second story allows RLA to maximize the use of their space.
